ALLERGEN ADVICE:	

Products packed at Essential Trading are packed with a precautionary alibi labelling statement:

"May contain traces of, or contains: celery, gluten, mustard, nuts, peanuts, sesame, soya and/or sulphur dioxide"

Product codes ending in an alphabetical letter (e.g. F125B) are packed at Essential Trading except product codes ending in P (e.g. P901P). Bulk commodity product codes end in 0 and may arrive to Essential Trading with previous allergen information associated.

Where products are indicated as not having an allergen present, this refers to the product not being formulated or wholly derived from the particular ingredient. Allergen handling policies and procedures are in place throughout the supply chain to reduce the likelihood of cross contamination, however this cannot be guaranteed. Customers should use the above information to inform their own risk assessment.

Please refer to individual labels for more information.

GMO DECLARATION:	This product has been produced without the use of genetically modified organisms (GMOs) or their derivatives, nor been irradiated.
ORGANIC CERTIFICATION:	Essential Trading Co-operative Limited is organically certified to EU Regulation 834/2007 by the Organic Farmers & Growers (GB-ORG-02)

CONDITIONS OF SALE:	All sales are made under Essential Trading Co-operative's Conditions of Sale & Terms of Trade (available upon request)

To the best of our knowledge the information contained herein is true and accurate. Essential Trading Co-operative Limited cannot assume liability for any loss or damage arising out of the use of this data & nothing contained herein shall be construed to imply warranty or guarantee.

All unprocessed commodities may contain impurities. It is the responsibility of the customer to ensure that they are fit for their intended use. A portion of each delivery is selected to go through the quality control process to assess organoleptic and physical qualities. Products are opened and resealed to include a "QC OK" sticker. Allergen run planning and cleaning occurs, although please refer to the Allergen Statement for products that go through the quality control process.

Specifications are updated according to the latest batch we stock. We cannot guarantee that the specifications match the product we have delivered to you due to stock rotation. For accurate information regarding specific batches, please contact Quality Assurance with the product code, batch details and invoice number.
